### **ACESF Mission**

The Alabama Correctional Employee Support Fund, Inc. (ACESF) provides financial support and assistance to persons currently employed by, or retired from the Alabama Department of Corrections (ADOC) and their family members, and to members of the public at large in some circumstances. The ACESF also provides educational scholarships to persons employed by or retired from the ADOC and their family members based on need and or merit.

### **Calendar Year 2018 Update**

ACESF has been able to continue our mission in 2018 by assisting many ADOC employees and their families with financial assistance for hardships and college tuition. Total donations and scholarship awards are:

- 15 Individual Donations totaling **\$19,250.00**
- 19 Scholarships totaling **\$19,500.00**

The individual donations have assisted ADOC employees and their family members who have suffered from illness or injury. Donations have also helped employees with expenses incurred from house fires, loss of loved ones, and general hardships. The main sources of revenue for the ACESF are fund raising events, and individual donations made to the ACESF through the State Combined Campaign. Please consider the ACESF as your non-profit charitable organization when making your contribution pledges for the 2018 campaign. This will ensure that your donations are used to assist ADOC personnel in time of need.

Your Support!***

## **Did you know?**

- All ACESF board and committee members serve as volunteers for the Fund. No salaries or administrative fees are paid to the Fund. The only expenses realized are costs to conduct fund raising events, to host the annual scholarship awards reception, and to maintain the ACESF website. This ensures that almost 100% of monies donated to the ACESF are made available for assistance to those in need.
- The ACESF is always looking for volunteers to serve as board members or committee members to help conduct the business of the Fund.
- 2018 ACESF Board Members are:
  - Scarlotte Robinson – President
  - Andy Farquhar – Vice President
  - David Smith – Treasurer
  - Glen Casey – Secretary
  - Phyllis Billups-Heatherington
  - Forrest Johnson
  - William Despain
  - Marilyn Bruton
  - Chad Crabtree
- Board members are elected during the Annual Meeting held each January.

The 2018 Annual Golf Tournament at RTJ Capitol Hill was a great success, with the ACESF receiving a record profit. See the gallery of tournament pictures on the following pages. Thanks to Samantha Banks for volunteering to be our tournament photographer!
